MEMORANDUM FOR All Units and Activities

SUBJECT: Nevada Army National Guard Environmental Policy Statement

1. The Nevada Army National Guard (NVARNG) is dedicated to providing units and Soldiers trained and ready for any contingency as directed by the President and Secretary of Defense. Readiness is our top priority. Our ability to accomplish our mission is enhanced through adequate personnel strength, training proficiency, and equipment serviceability. These activities occur at NVARNG facilities and training lands across the state, nation, and OCONUS.
2. The NVARNG is committed to environmental stewardship of our facilities and lands. A sustainable training environment is critical to our continued utilization of these resources. The NVARNG integrates sound environmental management practices into our overall strategic mission goals.
3. The NVARNG is committed to:
  - a. Maximizing the availability of training lands and facilities to enable Soldier training through the application of environmental stewardship into our strategic goals.
  - b. Continually improving through our Management Review process. This process allows objectives and targets to be identified and reviewed.
  - c. Improving the effectiveness of our environmental programs through risk management techniques.
  - d. Minimizing pollution of our land, water, and air.
  - e. Maintaining compliance with all applicable U.S. Army, Federal, State or local environmental laws and regulations, and those other requirements to which we subscribe.
