

Join Our Team

We look forward to the challenge of providing reliable service to every one of our customers.

NV Energy is looking for qualified people to join us in one of the premier energy companies in the West. Located in the fastest growing state in the United States, NV Energy provides electricity to 2.4 million citizens throughout Nevada as well as a state tourist population exceeding 40 million annually. Among the many communities we serve are Las Vegas, Reno-Sparks, Henderson, Elko and South Lake Tahoe. We also provide natural gas to more than 145,000 citizens in the Reno-Sparks area.

We're strong believers in teamwork and encourage our employees to be innovators. Our shareholders like that. And our customers know we are the people they can count on for reliable service at a fair price.

We also embrace a strong commitment to Diversity -- in fact, Diversity is one of our most important core values. By valuing diversity, we find new and better ways to achieve success, creating an atmosphere where people from all walks of life are treated with dignity and respect. Diversity benefits the company by providing a broad pool of qualified employees, who bring with them a strategic advantage through greater innovation, creativity, and a variety of viewpoints in decision-making. And what benefits the company ultimately benefits our customers, shareholders, employees and community.
