On July 31st, Hero2Hired (H2H) will be the lead sponsor in the next Milicruit Virtual Career Fair for service members and their spouses. In the last 4 months, the Milicruit virtual career fairs have resulted in more than 5,800 veterans being hired by the employers who participate, and we would be honored if you could join us on July 31st. More than 28,000 jobs will be available to Guardsmen, Reservists, veterans and military spouses.

If you haven't already registered in the past, you may register to attend at www.veteranscareerfair.com and if you have previously registered, you will receive an email reminder one week before the virtual career fair.

You can access Milicruit 24/7 and visit the employer booths, view/apply for jobs, and even send recruiters messages directly in their virtual booths. Here is a short video on how to use the Milicruit service www.tinyurl.com/milicruitjobseekers.

You will have the opportunity to meet and chat with employers live in real time, and within your own home if you like. Register and login today, and come prepared on the 31st to chat with recruiters about the positions you have found and are interested in.
